About Us

Aries Group of Companies is a leading UAE-based manpower supply and technical services organization delivering reliable workforce solutions to the industrial, construction, manufacturing, facility management, and infrastructure sectors.

With a workforce exceeding 1,500 skilled, semi-skilled, and unskilled personnel, Aries Group has established a strong reputation for providing qualified manpower resources that enable clients to achieve project objectives efficiently, safely, and within schedule.

Headquartered in Sharjah with operations extending across Dubai and Abu Dhabi, our group companies offer comprehensive manpower and technical support services tailored to the evolving needs of businesses throughout the United Arab Emirates.

Our Commitment

At Aries Group, we believe that our success is measured by the success of our clients. Our goal is not simply to supply manpower but to become a trusted workforce partner that adds value to every project we undertake.

We remain committed to providing dependable manpower resources, professional support, and exceptional service standards that contribute to the timely and successful completion of every project.

Who We Are?

Aries Group of Companies is a diversified business group specializing in manpower supply, technical contracting, facility management, cleaning services, maintenance support, and construction-related services.

Backed by an experienced management team, efficient coordination personnel, and highly trained workforce, we provide scalable manpower solutions for projects of all sizes.

We understand that every project requires the right people at the right time. Our proven recruitment, deployment, and workforce management systems enable us to mobilize personnel quickly while maintaining high standards of quality and productivity.

Why Choose Aries Group?

- 01 Rapid Workforce Mobilization**
Quick deployment of manpower to support urgent and planned project requirements.
- 02 Extensive Industry Experience**
Strong understanding of UAE industrial, construction, and facility management sectors.
- 03 Skilled and Verified Workforce**
Professionally selected personnel with relevant trade experience and qualifications.
- 04 Commitment to Safety**
Strict adherence to workplace safety procedures and industry best practices.
- 05 Quality-Focused Operations**
Consistent service delivery through effective supervision and workforce management.
- 06 UAE-Wide Coverage**
Operational capability across Sharjah, Dubai, Abu Dhabi, and surrounding Emirates.
- 07 Long-Term Client Relationships**
A proven track record of delivering reliable manpower solutions and maintaining strong client partnerships.

Our Vision

To be the preferred manpower and technical services provider in the UAE by delivering reliable workforce solutions that contribute to our clients' success.

Our Mission

To provide skilled manpower and technical services that exceed client expectations through professionalism, safety, quality, and operational excellence.
